ARRIVING AT SCHOOL:

- Children are to be brought to the school gate/class entrance door between 8.45am and 9am.
- Children **MUST NOT** walk from the car park to the school gate by him/herself.
- The playground gates will be locked at 9am for pupil safety.
- If arriving after 9am, please enter via the front entrance, ring the school to ensure an adult will be there to open the front door, greet your child, and complete the necessary safety routines upon entry.

LEAVING SCHOOL:

- For pupil safety, (due to Tildarg Lane) and to allow for social distancing, **PARENTS MUST ENTER THE PLAYGROUND**, to collect their child/children before they will be released by the teacher.
 - * We ask that P3/4 parents come into the playground closer to the extension part of the building (remaining socially distanced, wearing face coverings, and not mixing households).
 - * We ask that P5/6 parents enter into the playground, but stay closer to the fence side / older building (remaining socially distanced, wearing face coverings, and not mixing households).
- Children **MUST NOT** cross the lane or road by themselves, even if they see a parent in the car park. The teacher will not release the child until the parent is in the playground. This is for their safety, as the lane is very dangerous.
- We would ask that you leave the school premises once you have your child dropped-off/picked-up, to allow for social distancing, to help with congestion/parking and to keep everyone as safe as possible. Please ensure your children remain with you, and not playing in the playground once collected, for their own safety.
- We will appreciate your help and support in following all these safety guidelines.

MRS DICKSON'S ABSENCE:

In Mrs Dickson's absence Mr Stephen Harrison will be Acting Principal until the end of term.
