Dear Parent / Guardian

Tildarg Primary have a lovely new website which we would love you to take a look at. This website will still include the same information as before, but is arranged in a different way. We have tried to include elements on the home screen that represent our school and community. We hope you enjoy our new website.

As part of this website there is the option of getting updates via your phone by downloading the Schools NI app. For details on this, please see below:

## Get school updates via your phone

Our school is now listed in the **Schools NI** app, which allows you to view school updates and receive messages via your phone or tablet. The app is available on both Apple and Android devices, and will give you access to our school news, calendar events and letters.

To install the app, open [www.tildargps.co.uk](http://www.tildargps.co.uk) on your phone or tablet and click the 'Download App' button that appears at the top of the screen.

Next time you open the Schools NI App our school will be listed at the top of the list. You don't need to have the app open to receive messages.

We hope the changes in our website and the start of our text service will help to keep you informed. Please also remember to keep a check on our school twitter account [@TildargPrimary](https://twitter.com/TildargPrimary).

Yours Faithfully

K. Dickson  
(Principal)
